PSRHE
In PSRHE this term we will be learning about:
<ul style="list-style-type: none"> <li>- Dreams and Goals</li> <li>- Healthy Me</li> </ul>

RE
In RE this term we will be learning about:
<ul style="list-style-type: none"> <li>- Islam – The Mosque</li> <li>- Christianity – Easter Prayer</li> </ul>

TOPIC	
Our project this term is:	<b>Misty Mountains, Winding Rivers</b>
In the Misty Mountain, Winding River project, your child will learn about the characteristics and physical processes of rivers, including how they shape the landscape over time, their significance around the world and the impact of flooding. They will learn how to use the eight points of a compass, four and six-figure grid references, symbols and a key to locate and plot geographical places and features on a map, as well as how contour lines are used to show the topography of an area. They will have the opportunity to learn about the stages of the water cycle and about mountains and their different formations, studying mountain ranges in the United Kingdom and around the world. They will also learn about different habitats and how human and natural influences can have an impact on the environment.	
Art	Vista and Animals
Music	Blackbird and Stop!
Computing	Computational thinking Investigating Weather
Science	States of Matter Living things and their Habitats
P.E.	Gymnastics and Football Dance and Basketball

<b>How you can help at home for this project</b>
Work with your child to choose which activities to try at home. For example, you can choose one worldwide river to learn about using information books and the internet. Write a leaflet about your chosen river to record your findings. Include a title, headings, pictures and facts. Once complete, share your work with a family member or our class during show and tell.

Finally, attached to this letter is our Knowledge Organiser which gives you more information about what we will be learning about.

Yours sincerely,

*Mr Hanley*
